HAPPY DOLLARS

Terry T. – For the Division Council Meeting, for having survived a full day of baby sitting, saw his granddaughter baptized and had dinner at Los Amigos.

Deborah – For Audrey's baptism and for all the guests present.

Ray – For a safe trip to and from Ft. Campbell despite taking 12 hours to return since the two Kentucky snowplows were busy and also glad his son-in-law got an extra day before having to leave for Iraq.

Ozzy – Was happy to see the growth of the club since his first visit in 1979, for Terry's Lt. Governorship, for Terry Kubasiak's work with the wild game dinner and for avoiding a traffic backup.

Terry K. – Happy for all of Randy's work for the Foundation and the great meal.

Jim – The editor didn't write down what he was happy for.

Bob – Happy his wife made it safely to Kalamazoo and for the youthful 'entertainment' at his table.
